That Zany Week That Was . . .

Exciting, different, wild and fun. This year's Homecoming Week also consisted of Tourist Day, Spirit Day, Marx Brothers Day and 50's Day. The week was a great success with many students participating.

This year's homecoming activities were given a spectacular finish when on Friday night, October 8, Northeast High demolished Gibbs High School in football. Another event was the crowning of Susie Welch as this year's Homecoming Queen. The tension and excitement lasted through the entire evening. Homecoming night 1977 was one of NEHI'S finest.

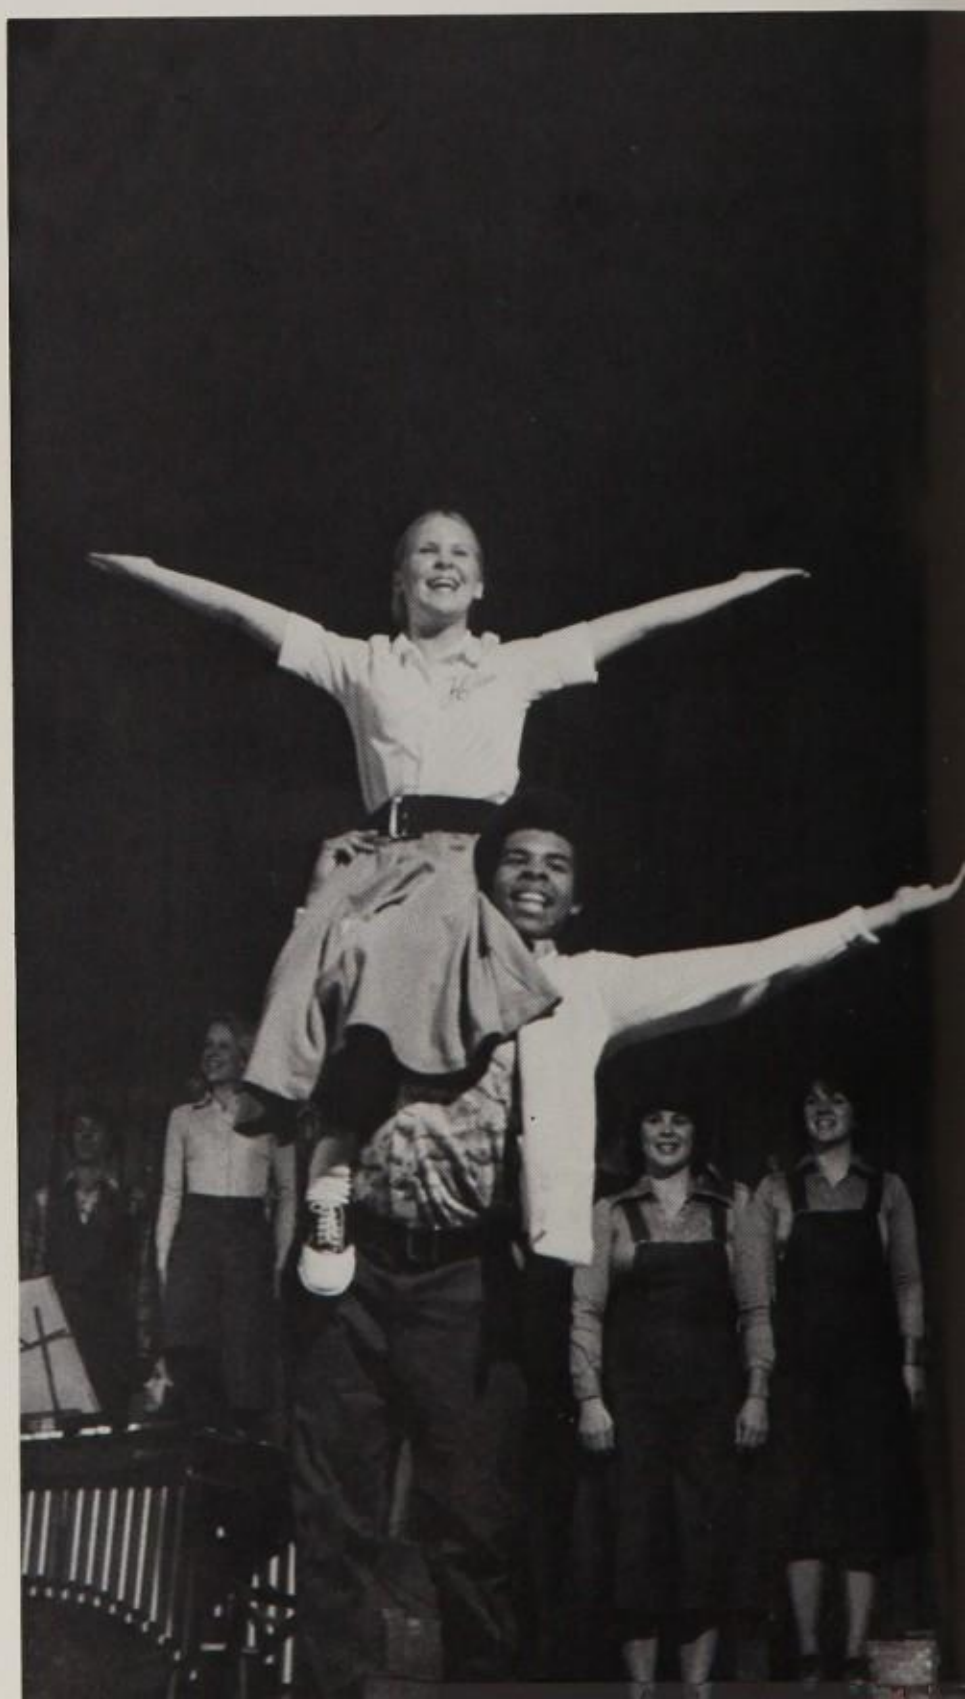
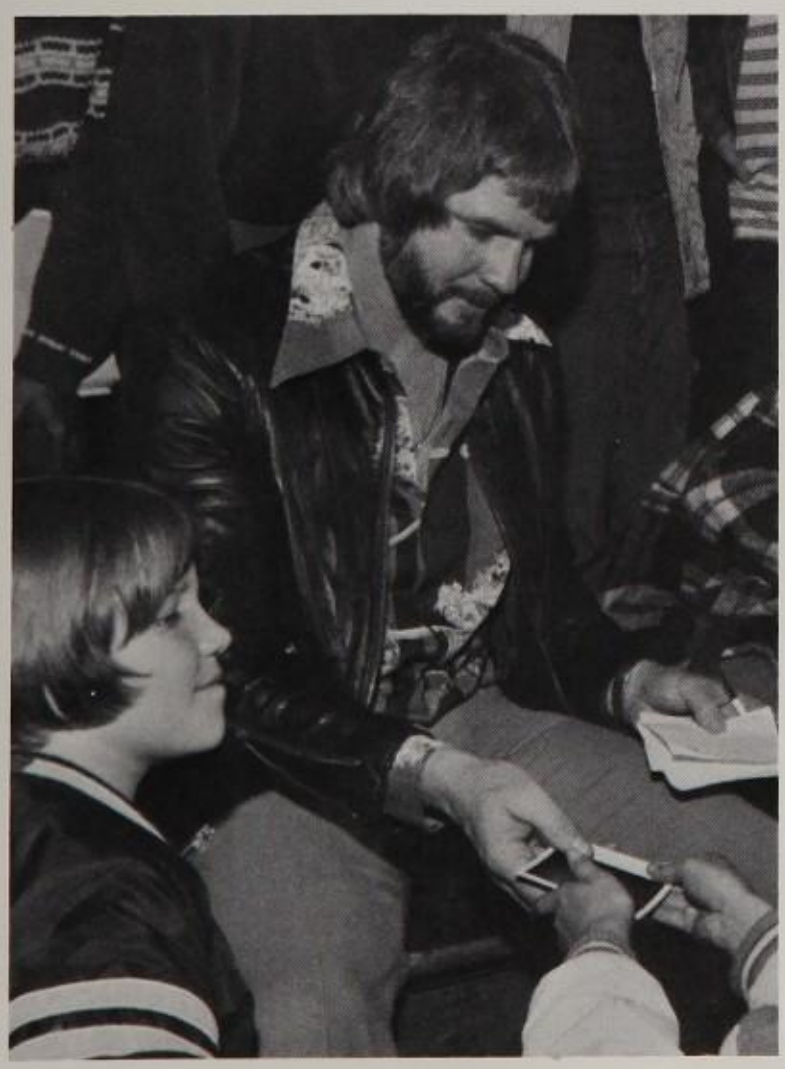
UP WITH PEOPLE



Nehi makes the big time-A Ken Stabler Visit

Ken Stabler, the quarterback of the Super Bowl winning Oakland Raiders, was here as a guest of the St. Petersburg quarterback club, which named him Pro Athlete of the Year. He was here at Northeast High School hosting an interview-clinic.

When he was playing for Alabama, the team won the National Championship. A 12-letter man in high school he once defeated Don Sutton of the Los Angeles Dodgers, a duel which won Stabler's high school the championship.



SKATEBOARDING

TAMPA BAY BUCS-CB' ers-MOPED-SKATEBOARDING

1976-1977 was a year of many new changes for the Tampa Bay area. Among these perhaps the most publicized was the new pro football team, the TAMPA BAY BUCANEERS. Other changes and fads sweeping the country include the CB, the MOPED and the return of the SKATEBOARD.

Such phrases as Breaker 1-9 are vibrating through the air waves. Such people as Black Bear, County Gentleman and Lucky Lady are creating a whole new way of talking and socializing, not to mention the wording of traffic tickets.

The quiet hummm of the moped is being heard throughout the city streets. A few can even be found at NEHI school. People are just now discovering the economy and the uniqueness of the moped.

The skateboard has returned and you can find people practicing their skills almost anywhere. From concrete hills and bridges to home make mini stunt courses. However it is not suggested that everyone take up skateboarding because without practice it can be hazardous.

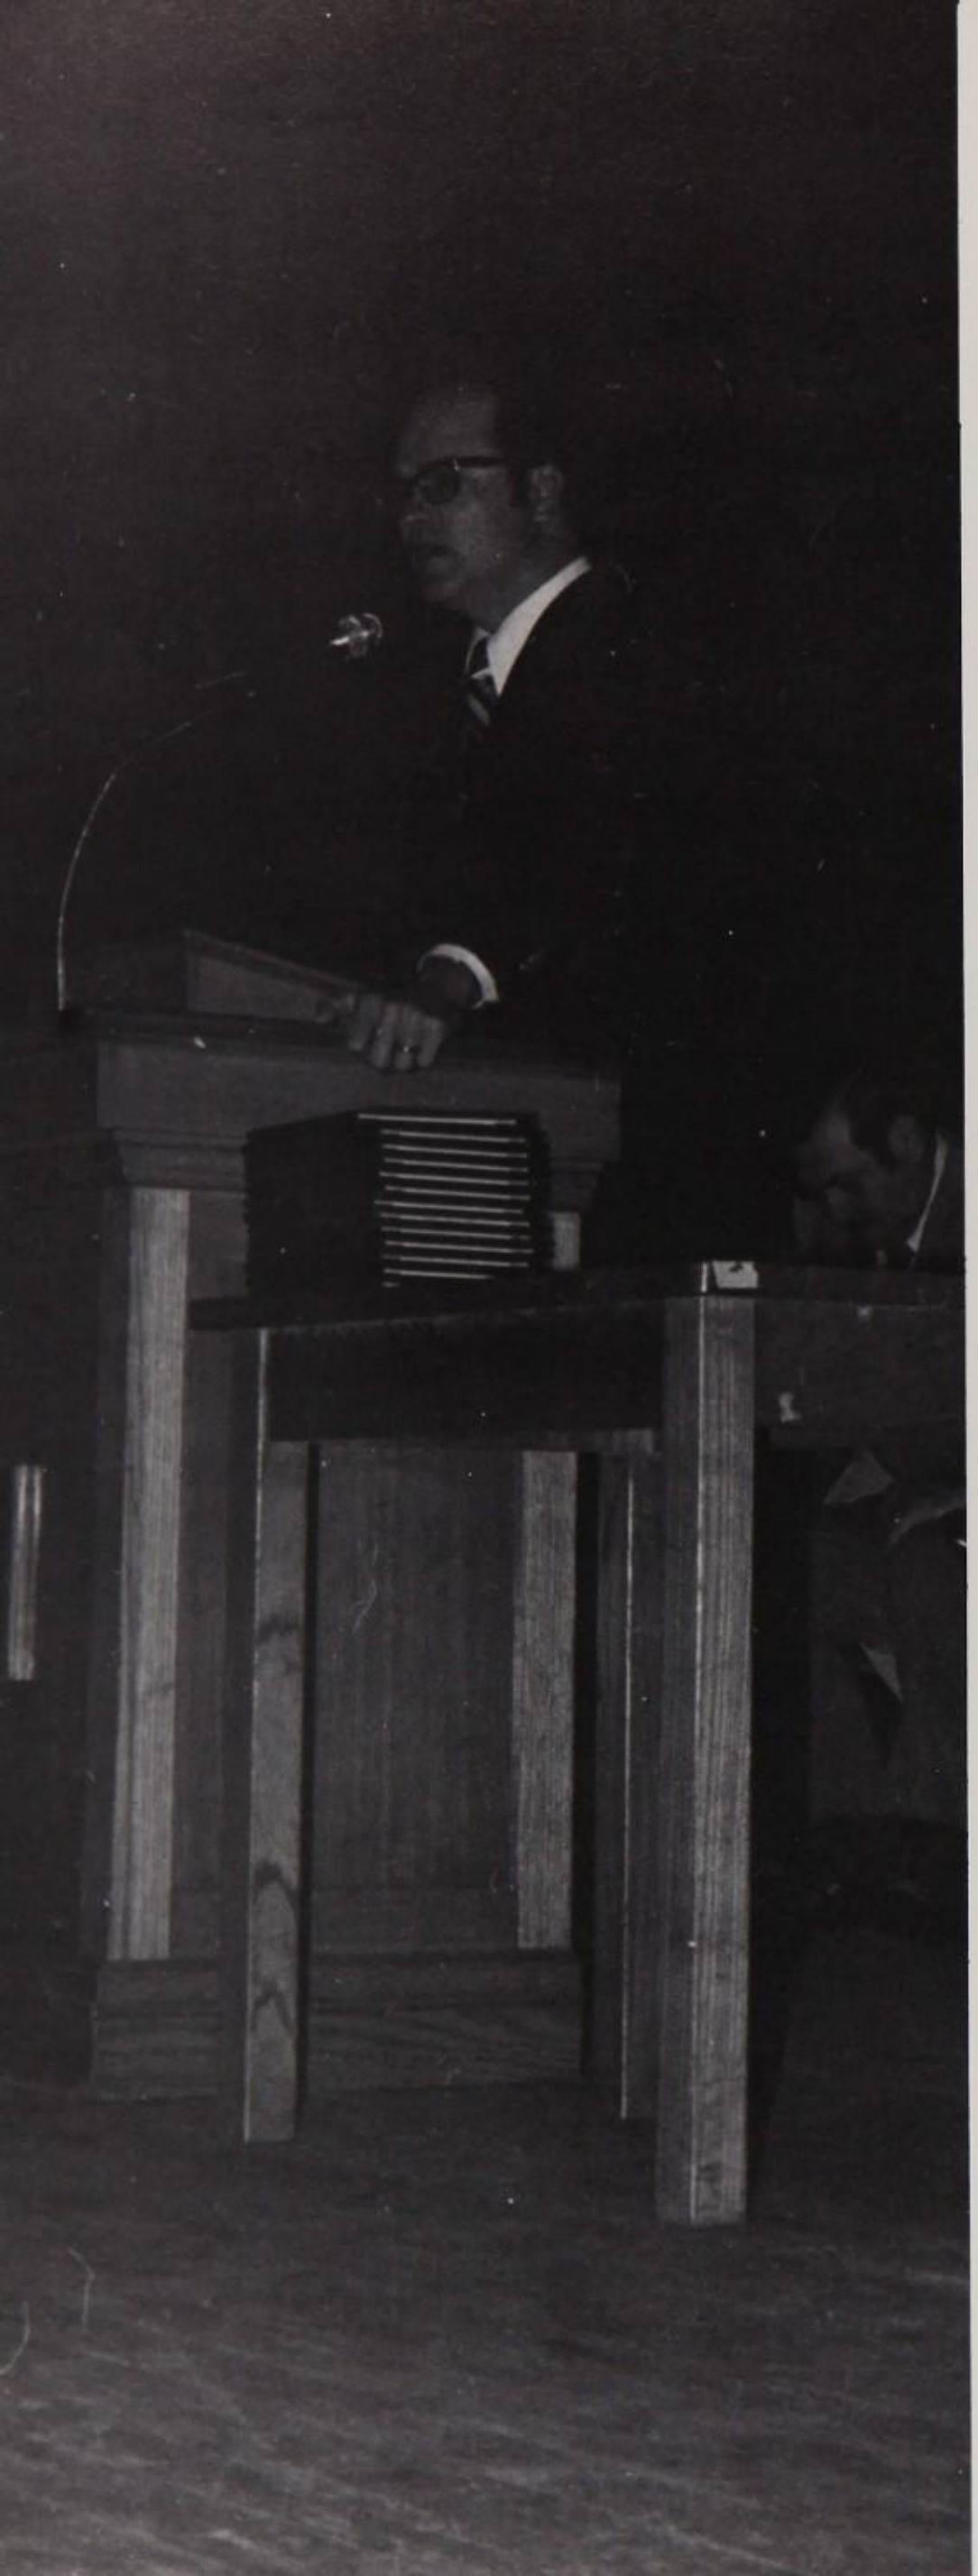
ELECTION 76

This year happened to be an election year and many NEHI students were voting for the first time. Although the race between Gerald Ford, the incumbent president, and Jimmy Carter was close down to the wire, the nation emerged with a new leader and a new hope for the coming years.



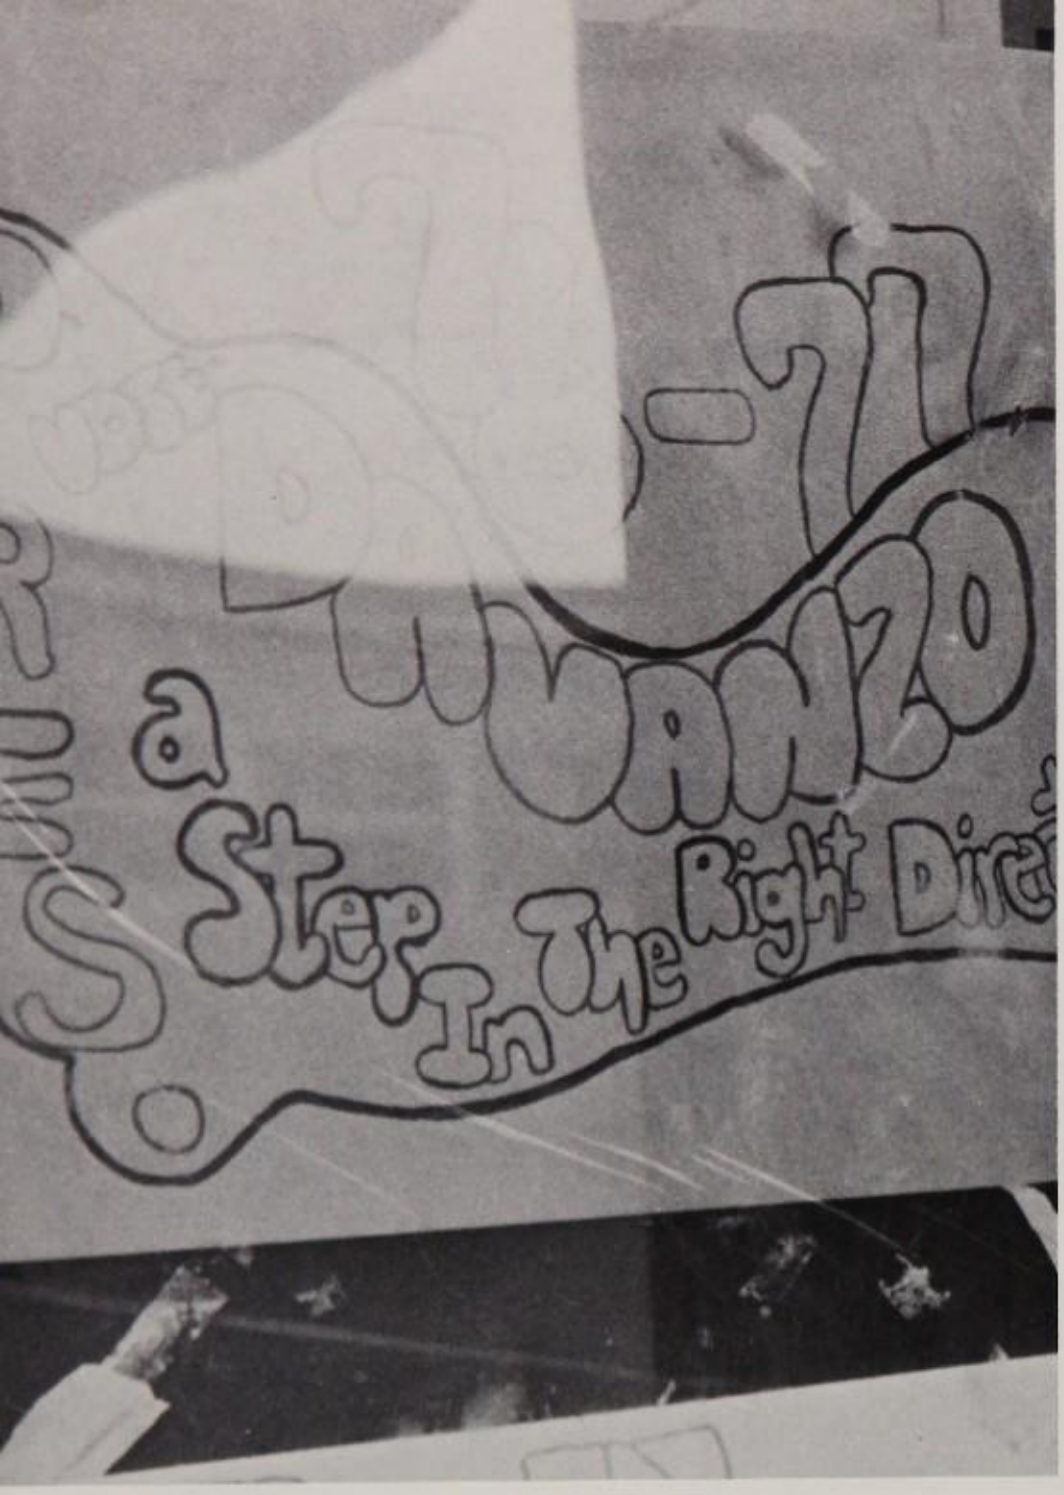
Although we lose many of our fine students at Graduation these individuals are now free to enter into their chosen careers without waiting. We wish them the best of luck and a sad good-bye.

EARLY

GRADUATION

Lookout, Guys - here comes girls football!

This season's powder puff football game was the closest and most grueling battle ever played. Although the Junior girls defeated the Senior girls, the Juniors had to work hard for every point made. What started as tag football erupted into all out tackle as tempers flared. However, after the game hands were shaken and everyone departed as friends and fellow football players.



SCHOOL

Freshmen school elections were greeted by enthusiasm and a great deal of spirit. Within an hour posters filled the halls, and campaign promises were being spoken to one and all. A good turnout at the polls was evident as the freshmen voted for their first Northeast class officers.

"GRAD NITE" 1977!!

NEHI Seniors joined graduating seniors from other Florida high schools in a fun and tiring night at Disney World. Leaving on buses from Northeast, Seniors and their dates enjoy a privileged closed night at Disney World.

This is my last year here
As I leave I shed a tear,
For things that happened, both
bad and good-
A hard teacher or the
monotonous food-
Of a boyfriend I thought
would last-
Of the four years that
went by so fast-
Of my Freshmen year
of which we were the first-
And I wondered if anything
was possibly worse-
I think of the car
I finally got-
And that awful mess
in the parking lot-
Of the excuses I used
some true some not-
Of some that worked and
some that got caught-
But now I leave
never to return-
And I remember Northeast
and the things I have learned-

CHEERLEADERS

"This year's Varsity squad was one of the best ever at Northeast. Cheerleading is a year around job, starting with spring football and ending with basketball tournaments. This summer the squad traveled to Appalachian State University in Boone, North Carolina where they not only won all superior spirit awards but they left with the best all-around cheerleading squad award. Cheerleading consists of a lot of hard work and dedication, many hours of practice, making posters, name tags, cookies, cakes, attending games, selling lollipops, pep books, and beanies and planning assemblies. The assemblies this year have been well attended and who will ever forget Randy Resnick and the candied apples. And of course, Coach Palmer will never forget the "overzealous cheerleaders" at St. Pete. Northeast will never forget these spirited, talented, lovable girls."

"Spirited, enthusiastic, hard-working, dedicated, energetic. These words describe this year's Junior Varsity cheerleading squad. This summer, the squad won superior ribbons and the "Spirit Sticks" at the two camps they attended. This school year, they worked selling turtles and lollipops, making cakes and tags for the players, and perfecting cheers and skits. These girls exhibited their pride in Northeast as they showed they were Number One!!!"

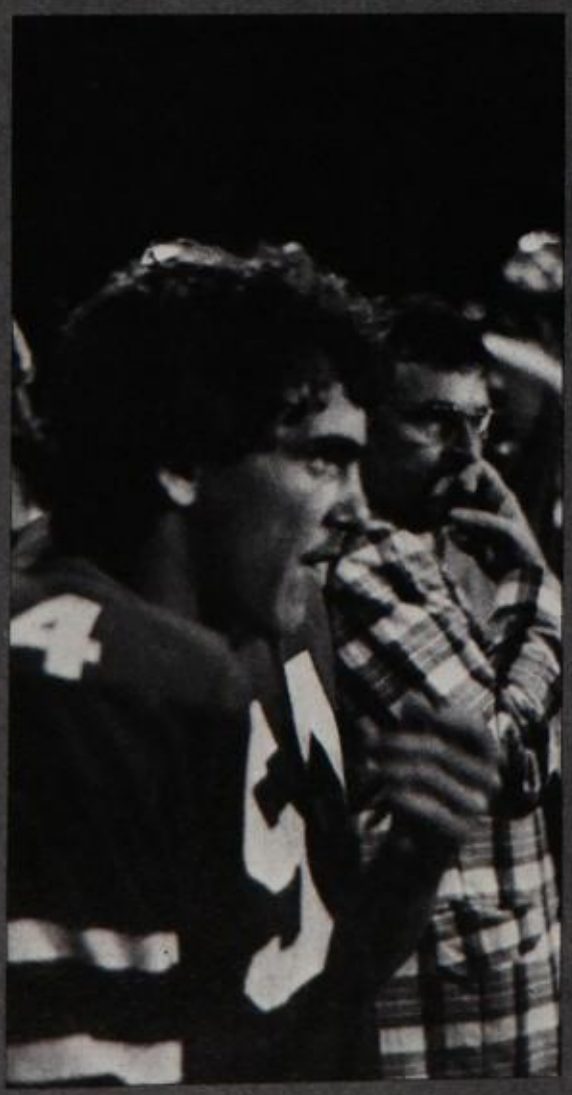
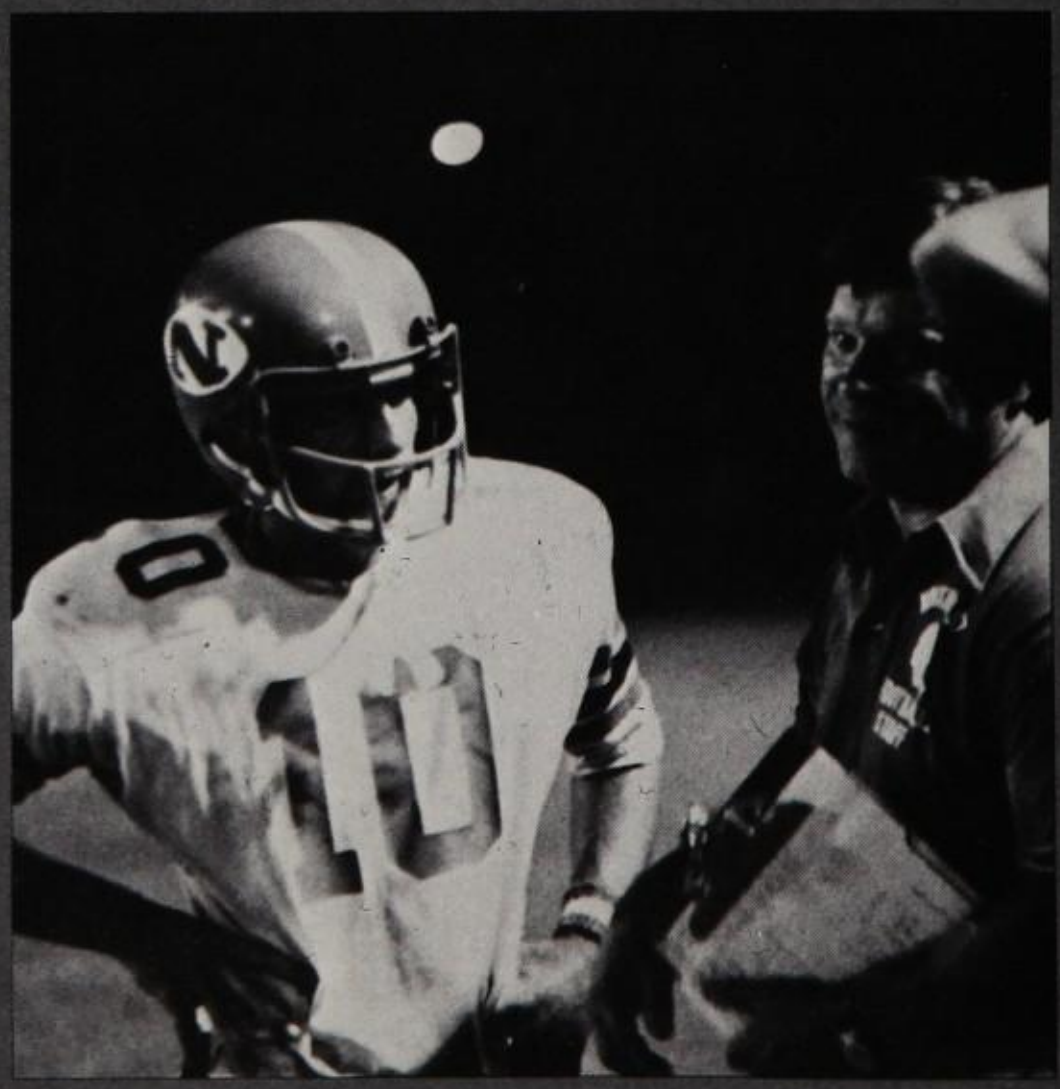
CITY CHAMPS





"The 1976 Vikings were a pleasure to coach. They worked as a team, maintaining good self-control and as a result won many close games. With a 7-3 record and repeaters as City Champions, they have to be considered with the best teams of the past. They had great attitudes and our coaching staff is proud of them."

"This year the freshmen Vikings had a very successful football season even though the 2-4 record doesn't reflect it. Many boys were able to gain game experience at various positions. Often the starting line up varied from the past week but each boy contributed to team's success."

"Dedication and hard work are names which apply to each of the 55 boys who stuck out the season. Hopefully everyone learned a little football and had a little fun so that they can eagerly look forward to being a Viking J.V. next year. They will be a group that NEHI will be proud of."

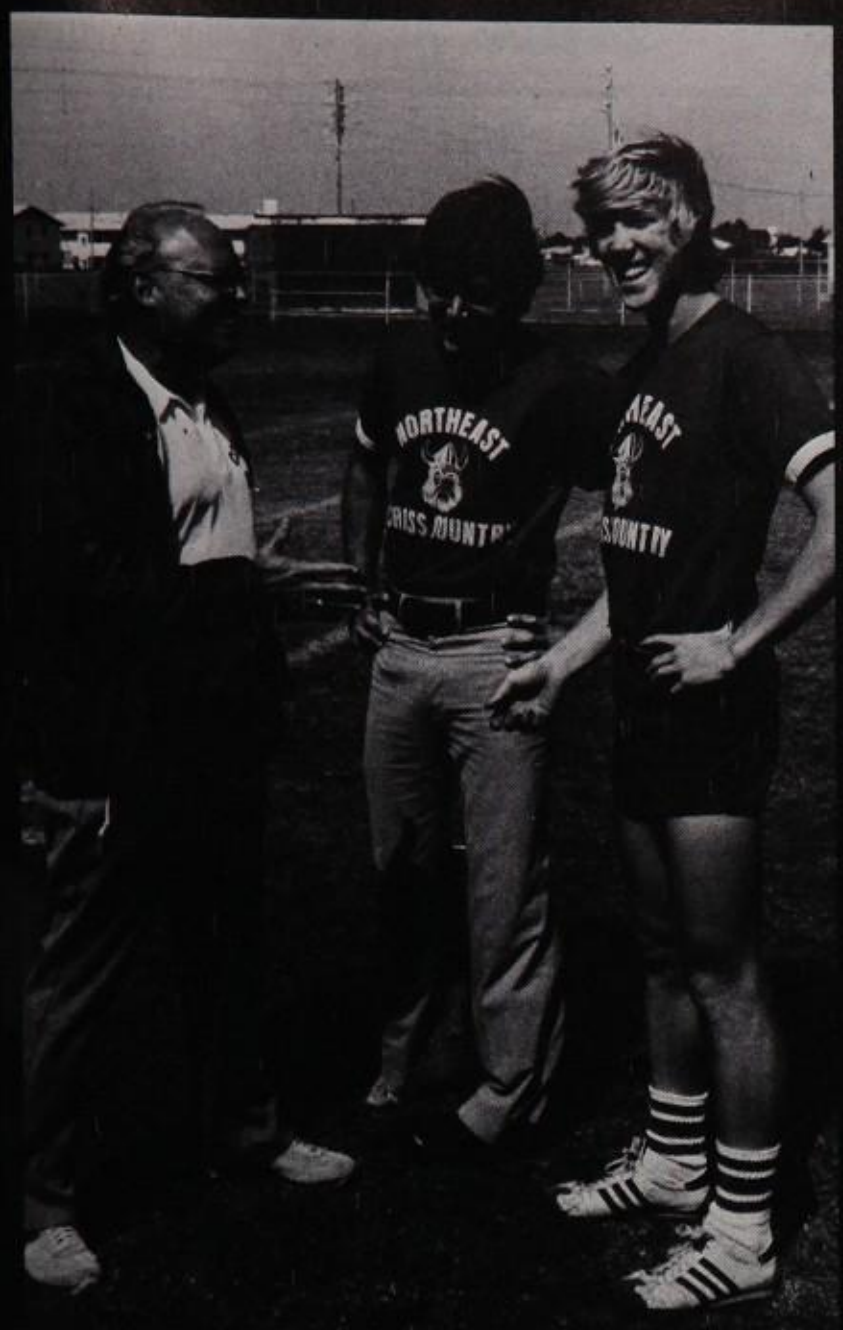
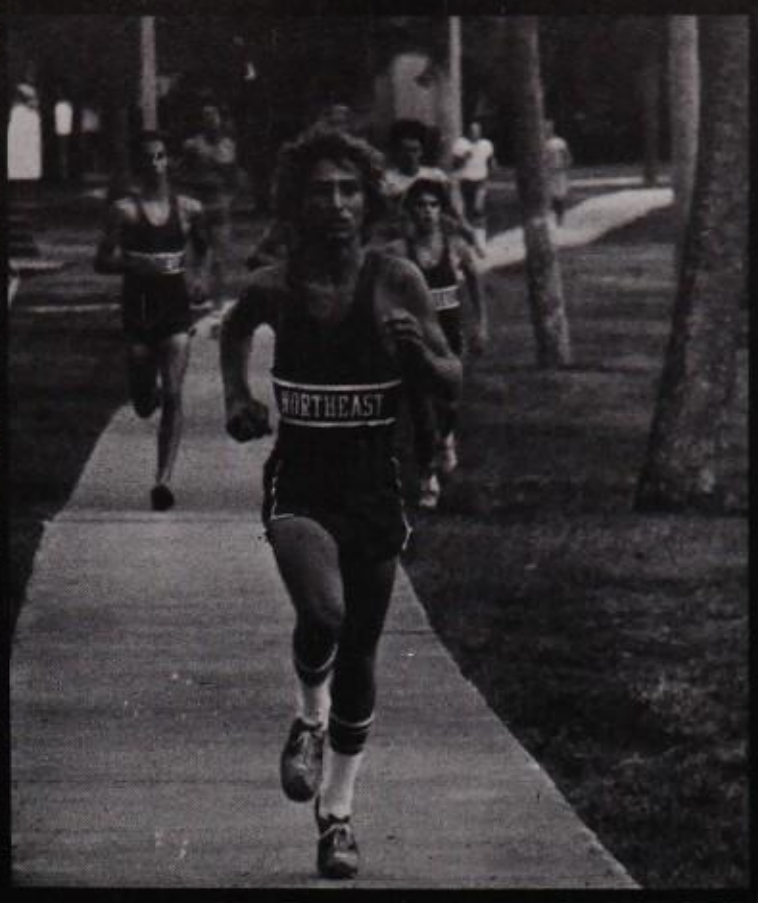
CROSS COUNTRY





1st row: Gary Salman, Pete DeKusey, Dan Rummel. 2nd row: Coach Howard, Debbie Scarbrough, Phil Eicher, Steve Turner, Bob Bouffard, Steve Woodbridge.

"Northeast High School will long remember the 1976 cross country team. When school started in August, the top six runners already had between 500 and 800 miles under their belts from hot summer trails. First place in the first two meets brightened Coach Howard's outlook on the season. Then the harmful events of injuries set in. Jon Justison, a varsity runner as a freshman and sophomore was the first cast-bearer. Two more talented runners, Pete DeRussy and Greg Sullivan, were on crutches by the middle of the season. Also, Steve Devereaux was out for most of the season with an ankle injury. This team was dedicated with J.V. runners filling in varsity positions and injured members advising and helping at every practice. The team finished a strong 6th place in the district meet. Greg Sullivan, out for much of the season, came back to place 12th in the Regional Meet. Captain Dan Rummel placed 4th there, moving him to the state competition where he placed 20th out of a field of approximately 200 runners.

Though plagued with injuries, the varsity cross-country team stayed unified and Northeast will always be proud of their achievements."

GOLF

Boy's Golf

The Boy's Golf team finished its season with a 7-6 record and an overall tie for 4th in the conference. Leading golfers and their match averages:
Steve Farmer 43.0
Mike Cannon 43.0
Roy Hackett 42.8
Steve Spitzig 42.8
Bill Todd 42.3

1st row: Steve Spitzig, Doug Curtis, Mike Cannon, Steve Farmer, Andy Wisnaske. 2nd row: Allan Anderson, Roy Hackett, Robert Messina, Leonard Klaskow, Glen Battiger, Jeff Liddic, Coach Hildebrand.

Girls Golf

This has been a rebuilding year for NEHI's Girls Golf Team. Even though Capt. Cindy Johnson was the only returning letter woman, the team managed a winning season with a 5 wins and 4 losses. This record was good enough for 2nd place in the conference.

A scotch 4-some with the Boys' team was held with Sandi James and Steve Spitzig emerging as the champions.

The team helped with the L.P.G.A. Orange Blossom Classic at Pasadena in February before practicing for the District Competition.

The team-Cindy Johnson,-Capt. 10, Kathy Brown 12, Sandi James 11, Kathi Laychak 10, JoAnne James 10, and Pam Scheitinger 9, along with Coach Joan Vernotzy wish to thank Mrs. Cathy Sykes for her able assistance this year.

"The JV Basketball Team for the school year 1976-77 is a make-up of young men who have worked very hard and put forth a lot of effort to make this a successful season. "The 1976-77 Freshmen basketball team worked hard throughout the season. With a constant pressing defense and an unselfish offense the Freshmen were led by leading rebounder Allen Riggens and high scorer Bennie Wilson. They had a fine year and I'm looking forward to watching them play on the JV squad next year.

Placing first and receiving straight superior ratings gave us the pride to go a little bit more. Placing third in the Tournament of Bands was not what we had hoped for but we took it with honors. The band participates in the St. Petersburg Christmas Parade and will be in the Festival of States Parade at the end of the year. Extra activities such as the Big Sun Tournament, the Freedom Train, solo and ansemble competition and a performance at the Bayfront Center on All States Night, keep us busy.

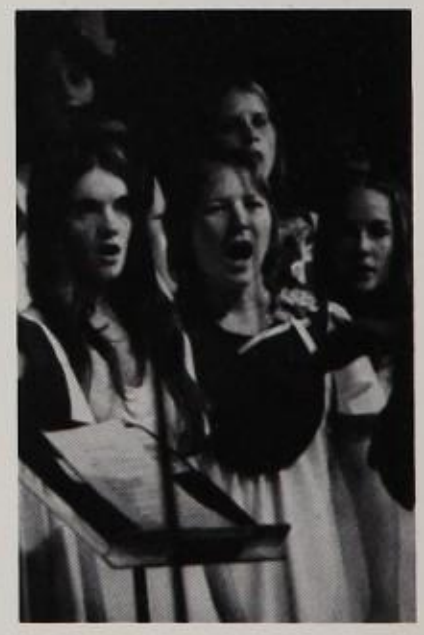
A Musical Interlude



The exceptional students of 9th grade choir are chosen for the 9th grade Gondoliers. Some of the 9th grade Gondoliers go on to become Gondoleirs and sing and perform until the end of their senior year. For Freshman, it's a great honor and hard work. Not only do they learn more about singing, but they also learn about great composers and the different types of music.

Gondoliers

"Simon Says" cross your arms and smile.

The gondoliers this year were a complete musical event. Performing throughout the community for clubs, organizations and public audiences was a rewarding experience. They wasted no time in building Gondolier Spirit. Practices were complete with Wendell Smith accompanying the group. Thanks to our director, Mrs. Swan, a round of applause greeted every performance. Naturally they will never forget the trip to Disney World.

All we need is a stem and we would make a human flower.

Mrs. Swan: "1 and 2 and 3 and 4. . ."

The stage at last came sooner than we thought.

German Honor Society's aim is to increase student's knowledge and understanding of the culture, customs and language of the German. Members are initiated at the beginning of second semester, and plan to work towards this goal, along with keeping a high grade point average.

Being in National Honor Society is recognition of a student's outstanding achievements in the areas of leadership, service, scholarship and character. A non-profit organization, students volunteer tutoring services. This year they successfully held their poster sale to raise money for state conventions and worked in the spring at the "brain brawl". Students are tapped for membership and must have at least a 3.5 grade average. Nehi's top students enjoy this honor.

Rick!
20 years!
What a
to enjoy
friendship
Love ya
Jesse

Recalling the past four years we've spent together, we soon become aware of the change that has occurred in each one of us. A kind of metamorphosis has taken place, indicating a maturing of mind, body and soul.

Spirit in our senior class was superior. This could be attributed to the fact we were Northeast's first freshman class.

Of course you remember our freshman year at N.E.H.I! We came in timid, yet anxious to commit ourselves as true Northeast Vikings. As the year went by, we found out how easy, and also how much fun it was to get caught up in the Mighty Viking Traditions.

When we became sophomores we learned to carry on those traditions. Receiving our new schedules with "free time" on them, we felt we had really become a part of Northeast.

As juniors, we soon discovered that the real meaning of being a junior was "involvement." Working with the seniors above us and the sophomores below us created a feeling of unity throughout our class. We were growing stronger every day.

The summer passed by too quickly, and finally our long dream had come true. Seniors at last! The first week of school was strange. We were busy looking for our old senior friends.

Soon we realized they were gone and we were going to fill their place.

The Class of '77 fell into its role quickly. We knew we wanted to make this a most memorable year. The big events began to happen around us: Homecoming, the Prom, Grad Nite; but far bigger than anything else we had accomplished before was Graduation, waiting just ahead of us.

As we look into the future, many of our same dreams and hopes that have guided us in the past will give us the courage to find success in the future.

The senior class was one of the most active classes ever sponsoring such activities as the pool party, car washes, and homecoming activities including a homecoming dance in the gym. The Prom Committee members along with other classmates worked long hard hours to insure a very special prom. Off.—Terri Griswold, Pres., Debbie Scarborough, Sec., Lori Lawson, Treas., Ed Schott, V. School spirit is when a student is involved willingly and enthusiastically in the support of Northeast Senior High School.

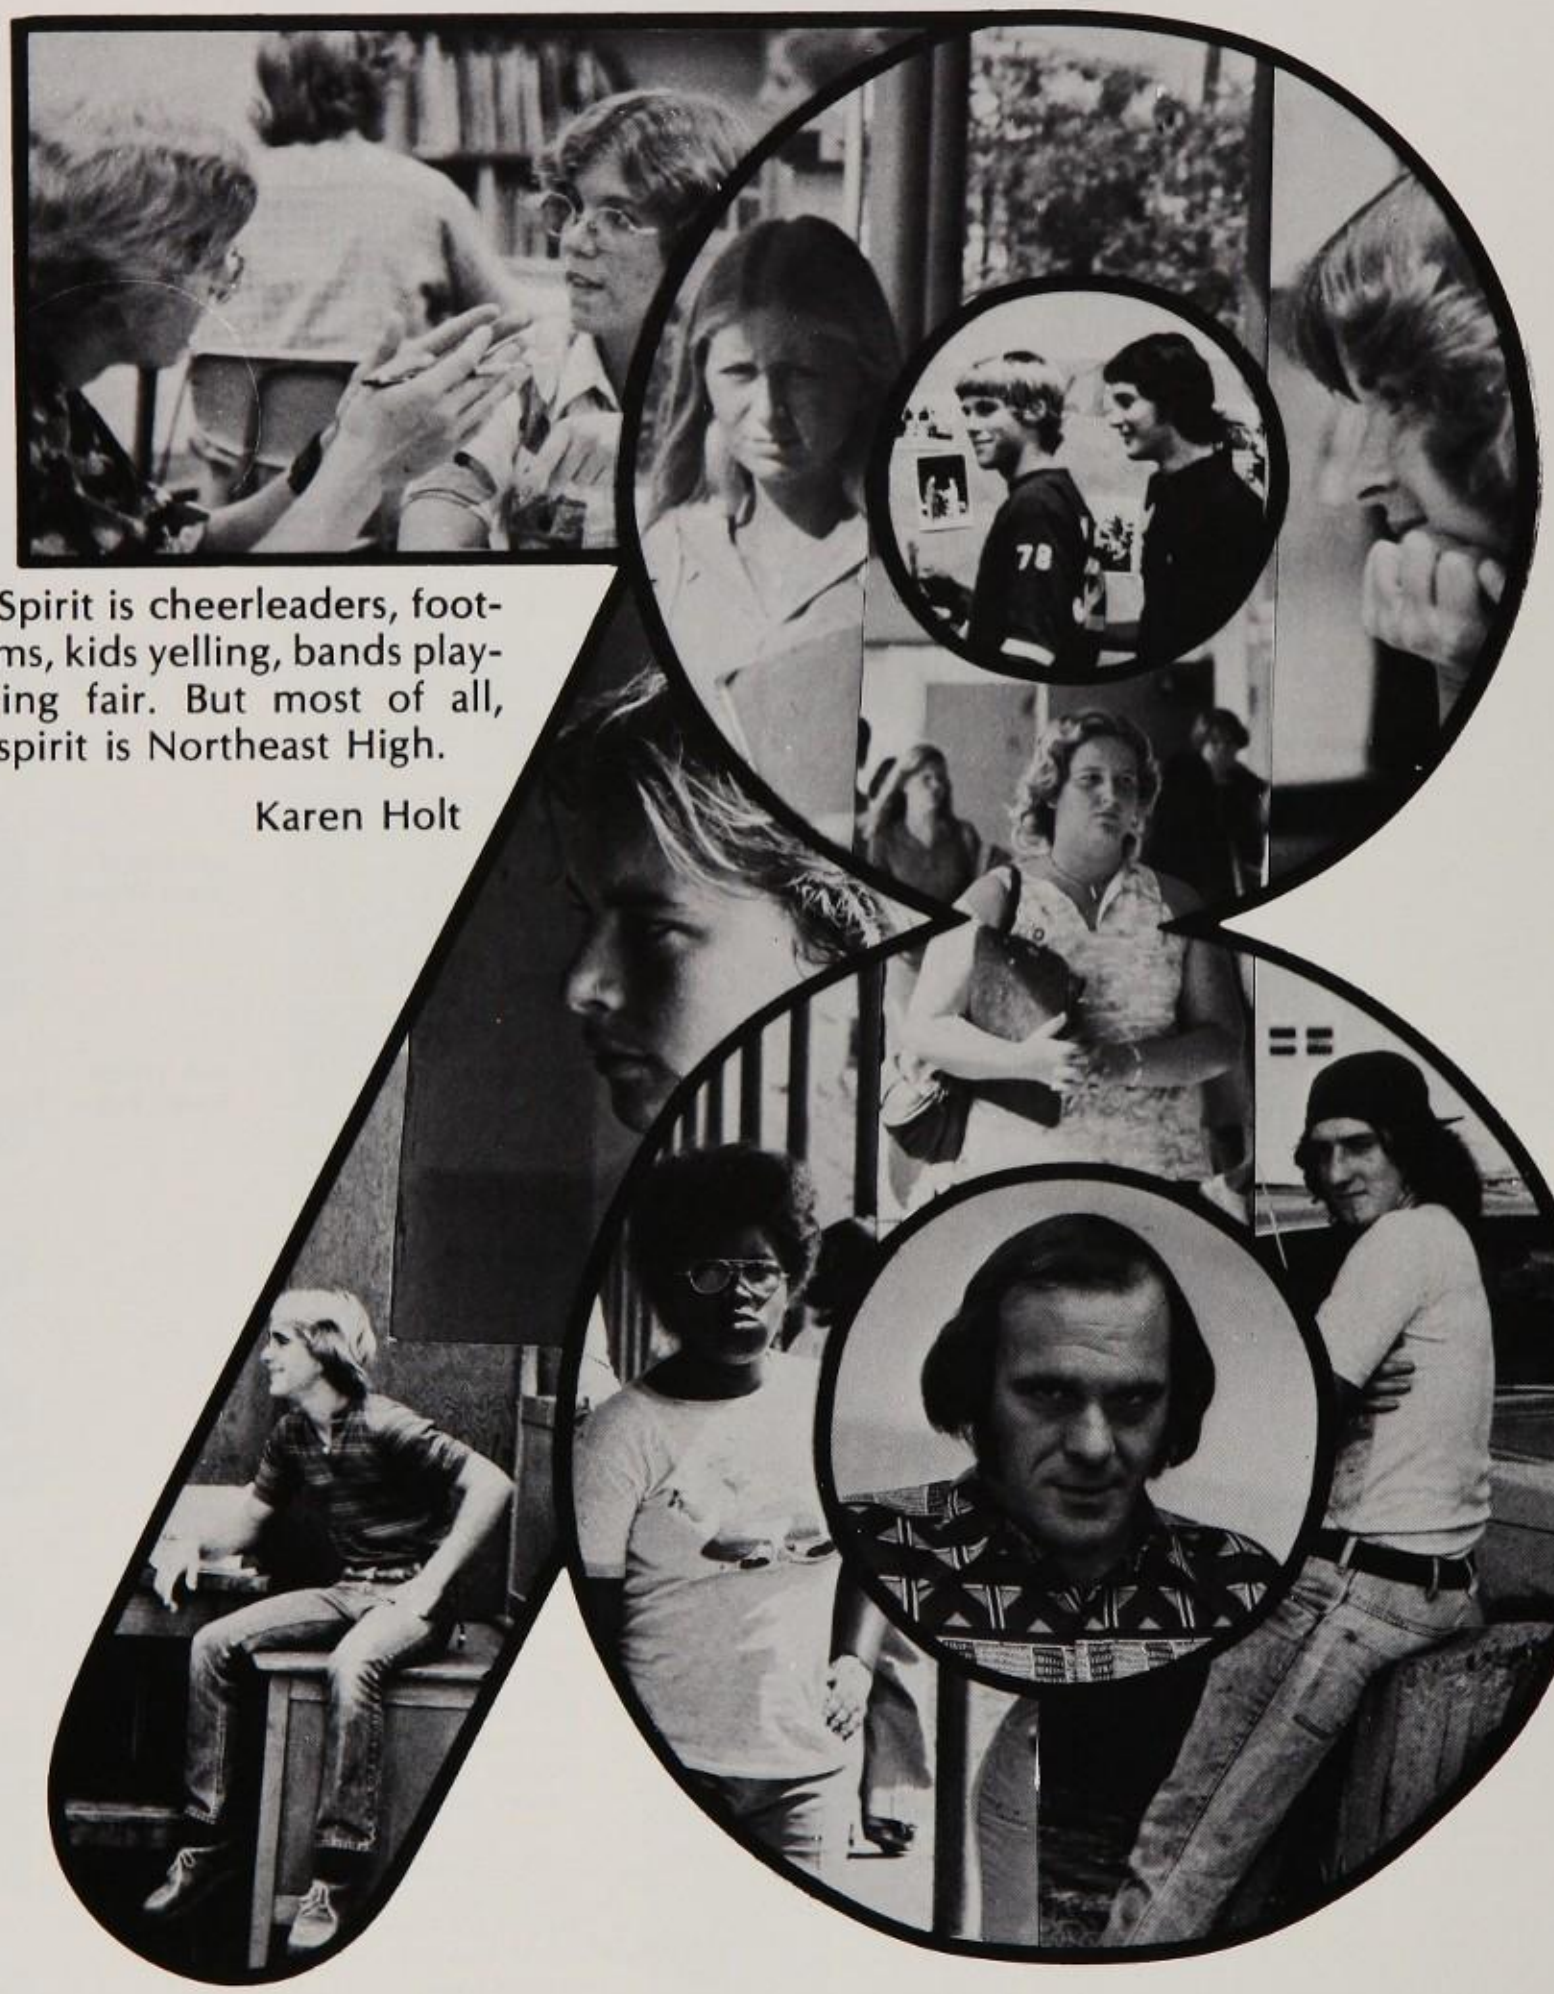
Brad Welch and Mr. White



School Spirit is cheerleaders, football teams, kids yelling, bands playing, being fair. But most of all, school spirit is Northeast High.

Karen Holt

School spirit is going to all sport competitions and rooting for your team. It's participating in all school activities. It helps to know you're the Best!!

Bryan Hopper

This year of 1976-77 the Sophomore class section is dedicated to those students who with their participation and enthusiasm will make the Class of "79" one to remember.

SOPHOMORE OFFICERS

The leaders of the Sophomore class are pictured on this page. Under the guidance of Mrs. Phyllis Rogers the major goal of the officers was to raise money for the magic year of 1979 so we could indulge ourselves as seniors and leave a permanent momento of our class. Pres., Tom DeGroot; Vice pres., Kevin Wence; Sec., Twigg Dunn; Tres., Jaleen Paglen.
